

There are **Terms & Conditions:**

1. Payment needs to be made in full 2 weeks before booking
2. No Alcohol to be consumed before going on activity of that day
3. North West Adventure reserves the right to refuse Customers without refund if we feel that a Customer has consumed Alcohol prior to going on activity.
4. North West Adventure reserves the right to change the venue or to postpone or cancel any trip if we feel water levels or weather conditions on the day of the trip are incompatible towards a safe trip.
5. On receiving your email trip confirmation, you agree to honour and abide by these terms and conditions laid down by North West Adventure and have made all the participants in your party aware of these terms and conditions

It is dangerous to go on the water if alcohol has been consumed. Only twice have we encountered this issue in 4 years. We are very busy with Stag groups on White Water Rafting. We provide a '**Plan B**' if the water levels are low on the River.
